bee BROWN

THE BRAND AGENT

EDUCATOR FOUNDER SPEAKER PERSONAL BRAND STRATEGIST

Expertise:

- Being a Black Founder: public relations, millennial focused
- Scaling as a Black Founder in spaces where Black professionals are not present
- Laying the foundation as a entrepreneur early: high school + collegiate focused
- Operating as a Founder/woman while facing trauma
- The Balancing Act: Invest in Rest
- How I built a 6-figure brand founded in my dorm room

bee

As the human voice behind innovative and socially responsible brands for a decade as a Principal Publicist, Bee's mastery of brand awakening, consciousness and integrity has elevated brands to national prominence, 7-figure monetization, and household,trusted and packaged human brands.

Bee has worn the hat of both publicist and professor as an empowering educator and creator of the **Beecoming Your Brand™ University.** Her incomparable curriculum fortifies business owners in foundational truths and principles imperative for prominent effect embedded in their personal brands.
